

**Welcome** to the adventure of discovering God's appointed times, seasons and celebrations on HIS calendar!

Our Creator understood long ago that as God's people multiplied, they would need a corporate covenant blueprint to join the family together. Having a SET TIME to honor the Lord, each other, and to hear what God had to say would provide unity, strength, and release blessings upon His people and the land as they sought Him for His leadership and love.

When God said to Moses, "This month shall be your beginning of months; it shall be the first month of the year to you" (Ex. 12:2), the Hebrew covenant calendar was birthed as His corporate covenant solution. This calendar was later outlined after the Israelites crossed the Red Sea and waited in the presence of God at Mt. Sinai where He wrote with His finger the "Tablets of Covenant." ALL of the set times were then established which were also a prophetic pattern of when Christ and His "firstfruits" would fulfill the redemptive promises.

When God created the sun, moon, and stars on the 4th day, He stated they would be used to communicate His signs and seasons (Gen. 1:14). These lights in the sky established time, but God chose the moon to create the Hebrew Calendar.

The Hebrew calendar is a lunar calendar, with each day beginning at sundown. When the moon appears as a thin crescent in the sky, it is called the New Moon. The New Moon marks the beginning of the Hebrew month, also known as the day set aside for "firstfruits."

In addition to "firstfruits" outlined on the calendar pages, you will find the feast days highlighted in blue. These were also God's "set times" to gather corporately to honor these "Holy Days." The feasts were considered "dress rehearsals" for when Christ would come and take center stage on the earth to redeem and restore all of creation from sin.

As you take time to journey through this Hebrew Covenant Calendar Journal, you will find information about each month, including the name of the Hebrew month, its meaning, and the tribe associated with each particular month. As a beautiful representation of each month's theme, you'll also find an accompanying painting, photo or drawing by family and friends. As you spend time with the Lord through His Word, prayer and journaling, this calendar journal will become a powerful tool in connecting you with His timing and His seasons.

In these latter days, this covenant calendar journal is purposed to be a means by which the Body of Christ, who are many parts with many purposes, can reflect and join in rhythm of heart to adhere to God's Kingdom purpose. Following HIS set times in a calendar such as this prepares us to enter into the rhythm of His corporate Kingdom time, and by doing so, unites us together to be ready for His return. Ultimately, this journal will become a testimony to the Lord as you use it to reflect back on all He has revealed and taught you.
